SAFETY ORIENTATION QUESTIONNAIRE

9. The Workplace Hazardous Materials Information System (WHMIS) designates certain products as controlled products and requires them to be labeled. This label is a warning for you, the worker. The label tells you:

- Name of the product
- Hazard symbol
- Risks when you use this product
- PPE required
- First aid treatment, if necessary
- All of the above

10. MSDS (Material Safety Data Sheets) are also required for WHMIS controlled products. These Sheets are available for your additional information by asking your supervisor to see them.

No

Yes
